A: Last year, squadron vans from Kansas City and Wichita picked up cadets from Kansas City International Airport and Mid-Continent Airport (Wichita). You must inform us of your travel plans so we can arrange to pick you up. Email [encampment@kswg.cap.gov](mailto:encampment@kswg.cap.gov).

**Q: What items do I need to bring with me to encampment?**

A: A packing list can be found in the "General Information" folder under "Encampment Documents" on this website. (The application memo is located in the same place.) The packing list has been written with separate lists for the various flights - please read it carefully.
